Defibrillator Appeal

School Council is pleased to announce that our Healthy Heart Day on the 18th of March was a huge success, raising a fantastic £526 towards a defibrillator for our school. We would like to say a huge thank you to everyone who helped on the day and to everyone who donated by wearing non uniform, buying a raffle ticket or taking part in the skipping challenge and the various games which took place around the school. Our cake sale proved very popular as always, so thank you to all those who donated and bought cakes. We would also like to say thank you to Mr. Behennah for arranging the Staff Bake off which as you can imagine was very competitive but great fun and raised lots of money too! However, fund raising did not stop in school. Mrs. Childs very kindly donated £50, which she raised by holding a raffle of Bodyshop products, so we would like to say a big thank you to her! Lastly, but by no means least, a huge thank you to Mrs. Molloy who after weeks of training, travelled up to Basingstoke in the Easter Holidays and took part in a Rough Runner event which raised a

staggering £315 for our fund! Her efforts are greatly appreciated and bring the total we have raised to an amazing £961. This also includes the £70 Ben Lobb previously donated through the sale of some of his artwork. We have been overwhelmed by the support we have received and hope very shortly to be able to purchase a defibrillator for the school.

Year 1 Minibeasts Visit

As part of a topic on Minibeast, Year 1 enjoyed a visit from Mark's Ark. Mark brought a train millipede, a scorpion, a Chilean rose spider and a giant stick insect for the children to learn about. He was very impressed by their background knowledge and their questions. Did you know that 97% of living creatures of invertebrates?

Pupils' Work

If you haven't visited recently, there is an ever-growing selection of work from across the school in our Pupils' Work section of the website. If you see something you like, please leave a comment - the children love knowing people have seen and enjoyed their work.

SPORTS NEWS FROM MR. W., MR. B., MR. GRIGG, MR. REES & MISS JARVIS

Tag Rugby Cornwall School Games - East Finals

On Friday 15th April our A team, who had qualified from the St.Austell area competition, went to St.Austell Rugby Club to take part with 31 other schools from across East Cornwall.

Our children played really well winning all of their three group games, therefore qualifying for the main cup knock out stages. In the first knock out match we beat Whitemoor School and progressed to the quarter final, which we won against Newquay Junior 2. In the semi final we met a very strong Newquay Junior 1 team and were beaten by a better side but we qualified to take part in the Cornwall Games Finals at Penzance on Friday 1st July. Our team scored some great tries and defended really well, which is vitally important to progress in a competition such as this. Player of the tournament was Kieran in year 6 but all of our team deserve credit and I was very proud of their performance on the day.

Many thanks to Mrs.Meens for helping with the supervision of the children and to the those parents and grandparents who provided transport and support on the touch line.

Mr.B teacher I/c rugby

Team: Amelia, Lilly, Libby, Tinesha, Harvey, Denzil, Kieran, Joseph, Bryn, George, Ryan (Capt), Ollie.
