

Year One Newsletter

9th November 2015

Our topic this half term is

Space and the world we live in

This term we will be finding out about space and the world we live in. We will also be doing our Nativity. Make sure you check book bags this half term.

A lot of our lessons will be taking place outside. Please ensure that your child brings a named coat into school every day.

Spellings

Your child has a weekly spelling list to learn (stuck in reading record). Please support them by practising them regularly. You could try writing these words with water and paintbrushes outside. Or you could write them in the air. The possibilities are endless!! Please refer to the 'Welcome to Year One' pack that was given out at the start of the year.

P.E.

The weather is now getting quite chilly, but we do like to still have our outdoor P.E sessions, so please ensure your child has a tracksuit or leggings and a warm top to wear in school so we can make the most of our outdoor P.E.

OPEN MORNING 14th

December 8.30 – 9.00am

We would like to invite you to come in so that your child can share their learning with you.

Reading!!

Could you please make sure you colour in a smiley face on the reading challenge EVERY DAY when you read with your child at home. It seems that some are reading every day but forgetting to show they have read. Thanks to all those that help with Reading Roundabout in the morning. If you can help any morning, until just 9:00, please pop in- any extra help is always appreciated. The more help we have, the more regularly we can listen to children read and change books.

Please ensure ALL your child's clothing is clearly labeled as this helps them to be reunited with jumpers etc that get left behind in the playground or other classrooms.

Thanks for your continued support, as ever please see us if you have any questions or queries.

Mrs Knuckey and Miss Clark
