

Summer 2016
Year 5 Newsletter

Welcome back after a chilly Easter! We hope you all had a good break. We've got a busy term ahead. Hopefully we will have good weather so that we can get outside as much as possible. (Don't forget sun cream, hats and water bottles!)

- Topics – The Rainforest, Mayans and Life Cycles.

- **We are off to Eden on Monday 25th April.**(a note was sent last term, but lots of children were away and may have missed it).
Please could you send in the £5.50 if you have not paid already before Friday 22nd April. If you are able to help on the trip, please let us know. All of our work including Art, DT, Literacy, Science, Geography and Maths will be based around the trip.

- We are very excited about camp! If you need any extra copies of letters, consent forms and kit lists please just come and ask for them. Also pop in if you haven't got everything on the list – we have spare waterproofs, sleeping bags etc. – we just need to know if you need them.

- Homework starts on the second Monday back. Homework will be a mixture of Maths, English and topic work. You will still be having weekly spellings, times tables challenges and we still expect you to read at least three times a week.

- The children have done really well with their Multiplication Challenges and we will continue with these as they are all moving along nicely – please keep practising at home.

- Please make sure that PE kits are here **every day** – last term we had a lot of children without appropriate footwear and without a full PE kit.

- We hope to have a great term, pop in to see us if you need to.
