

# Reception Newsletter Issue 4

19<sup>th</sup> April 2016

## Outdoor environment

We are working on improving the outdoor learning environment. Do you have any experience of laying artificial grass? Would you be willing to help us put some grass in our woodland area or help out with gardening and any odd jobs? Please see Mrs Behannah or Mrs Reid if you are able to.

## PE Kits

Please make sure that your child's PE bag is in school **every day**. When the weather is fine we will be going outdoors for our PE sessions. Please ensure your child has a pair of PE shoes - either plimsolls or trainers in their PE bag. It might be worth checking that the ones you bought at the start of the year still fit!

Please, please, please can you make sure that all of your child's clothes are named. Some of the writing has faded with washing and needs to be redone.

## Contact details

**Please** let us know if your mobile/landline phone number changes so that we can update our contact list. In the event of a head bump we are required to notify you by phone. We will also send a blue note home with useful medical advice.

## Sun Cream

As the weather gets warmer, please ensure your child has sun cream applied **before** they come to school, and a named sun hat. If your child is particularly sensitive to the sun, please advise your child's teacher. We also encourage children to wear sunglasses when they are outside.

## **I just wanted you to know.....**

We really value your input into your child's online journal in Tapestry and love to hear all about the things they are busy doing at home. Maybe you could tell us about something you did in the Easter break. If you are unsure of what to write or how to enter it, please do come and see us. We will be only too happy to help.

As always, if you have any problems, don't hesitate to come in and see us.
